III. RECRUITMENT INITIATIVES

	TYPE OF RECRUITMENT INITIATIVE	BRIEF DESCRIPTION OF ACTIVITY
1	Training program designed to help personnel gain skills to advance to higher level positions	Crestview Cable pays for the training and certification of technical staff so that they can advance to new job levels. During this reporting period, three of our staff members completed training provided by JONES/NCTI, Installer and Installer Technician course and Trouble Shooting Advanced Services. We have one staff member currently taking the Trouble Shooting Advanced Services course. . The goal of the training is to provide continuing education.
2	Participate in an event sponsored by an organization related to and interested in cable/employment issues.	On August 22 and 23 rd our General Manager, our Vice President of Cable Operations and our Technical Operations Manager attended Oregon Cable Communications Association meeting in Portland, Oregon. The sessions included marketing, Ad Sales, Technical Advancements and Political sessions. The sessions were designed to provide continuing education for attendees and enhance career paths.
3	A conference for education in the cable/communication business.	In February 2016, our Vice President of Cable Operations and our Technical Operations Manager attended the Winter Educational Conference put on by the National Cable Television Cooperative, in Phoenix, AZ. The conference is specific for smaller independent cable operations.
